Are you stopping for school buses?

By RACHEL ADKINS

It is hard to keep up with and remember all of the information we learned during our driver education courses. For many of us it has been years since we were in school, and we may not remember the laws concerning school buses.

It has been recently brought to our attention by local law enforcement officials that numerous motorists in Shamrock are NOT following the laws regarding School Buses.

The safety of young kids is a top priority,” commented Kenneth Martindale, Wheeler County Constable. “Motorists need to make sure they are following the law when it comes to buses stopping, especially when they are picking up and dropping off children. It is not only a bus that is loading or unloading who will be hurt.

According to page 26 of the Texas Driver’s Handbook, “.

1. You must come to a complete stop when you see a School Bus. As a motorist make sure you are taking the proper precautions.

2. You are signaled by the driver to proceed; or

3. The red lights are no longer flashing.

It is not necessary to stop when passing a school bus on a different road or when on a controlled-access highway where the speed limit is 50 mph or less. School buses are yellow school buses displaying an emergency flashing red lights, you must stop. Do not cross the yellow lines until the bus door is out of your view.

1. The School bus has resumed motion;

2. You must check to the right and left to ensure your path is clear;

3. The red lights are no longer flashing.
